Dear Mr. Cooper:

I thank you so much for your letter of May 30. Your identification of our station ("92.1 FM, WBTR, Carrollton, B-92") is quite correct; and, in fact, we used that very monitor on May 29 at 8PM.

I appreciate the info you sent me on the DX hobby as well, and look forward to hearing from you at some time in the future.

Thanks again for your letter.

Jeff Davis
