Dear Mr. Cooper:

Yes! It was WJSP-FM that you heard on June 1st. I am including a coverage map - though it is a little outdated. WJSP-FM is part of the Peach State Public Radio Network which consists of 13 stations all over Georgia. The stations in the network are listed on this letterhead.

I enjoyed reading your letter. It sounds like an interesting hobby. Please note that our address has changed. We moved into a beautiful new facility in the heart of Midtown Atlanta.

Enjoy the rest of your summer.

Sincerely,

Amy K. Fegebank  
Operations Manager
