Dear Mr. Cooper,

First of all let me extend deepest apologies on behalf of everyone here at "THE MIGHTY FM", WQCW for failure to reply to your correspondence. Your original letter apparently became lost, as we receive hundreds of letters daily. Unfortunately some never reach the proper department.

Next thank you very much for your follow up letter. We are amazed that you were able to receive our FM signal via "skip" so far away.

Your information is absolutely correct we were at our Top of the Hour News when you received our signal.

WQCW is a twenty-four hour live country FM Station located near the edge of the great Okefenokee Swamp in Waycross, Ga. Our original call letters were WLTE, we changed call letters in 1983 to WQCW.

Once again thank you for your follow up letter, if we can be of any further help please let us know.

Sincerely,

A handwritten signature in cursive that reads 'Mike McKay'.
