Dear Mr. Cooper,

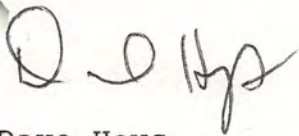

I must apologize for the evident mix-up in communications here and the delay in a reply to your letter.

You did indeed receive KHKE in Provincetown on the morning of May 27, 1983. The program was "Music Magazine."

KHKE broadcasts with 10,000 watts at 89.5 MHz from a tower located south of Waterloo, Iowa. Our KUNI/KHKE public radio facilities are located at the University of Northern Iowa in Cedar Falls.

Enclosed you will find KUNI/KHKE program guides as well as a coverage map for both of our FM stations. Thank you for your interest!

Sincerely,

Dave Hays
Public Information Assistant
