

August 9, 1985

Mr. Ernest R. Cooper
5 Anthony Street
Provincetown, Mass. 02657

Dear Mr. Cooper:

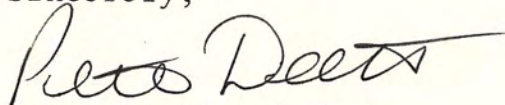

Thank you very much for your concise
report of DX reception.

As a fellow DX-er and a ham (NØGAF),
I am always pleased to know that we are
"getting out".

KRVR uses a 6 bay antenna at 210 feet
HAAT with an effective power of 60 KW.

Once again, thank you very much and
happy DX-ing.

Sincerely,

Marshall (Pete) Deets
Chief Engineer

P.S. I'm sorry we don't have any coverage
maps available.
