June 14, 1988

Ernest R. Cooper
5 Anthony Street
Provincetown, Mass. 02657

Dear Mr. Cooper:

Thank you for your DX report for June 6, 1988. What you have logged is the way we ID our station.

We operate at 2.2 KW horizontal at 160 feet. As far as I know, this is the farthest DX report we have ever received on our FM station.

Yours truly,

Steve Hamm
Chief Engineer
