Dear Ernest:

I got back in town today from an extended trip and your letter was waiting. I'm indeed sorry if we did not respond to your earliest request for verification.

You did indeed hear WRXX according to our program log of May 30, 1980. It certainly is an unusual reception to hear our 3000 Watt FM in Cape Cod, Massachusetts.

Congratulations! And again, I am sorry we didn't respond sooner.

Sincerely,

S. A. Hassan
President

P.S. Our engineer isn't here just now and we do not have a proof of performance schedule for the near future.
