Dear Ernest,

Thanks for your FM listener report of reception of KRPS July 3, 1995. I am pleased to report on the accuracy of the details in your reception report of KRPS programming at the close of our NPR noon news and beginning of our calendar of events.

For your information I have attached a copy of the calendar of events, so that you can see the detailed accuracy of your DX reception report.

Your report of receiving the KRPS signal is from the greatest distance, with other reports from Virginia and Kentucky.

It is my pleasure to acknowledge your reception report of KRPS.
