Dear Mr. Cooper:

Your letter of July 8, 1989 was very interesting reading. There is no doubt that you were indeed hearing a broadcast of WKTG-FM in Madisonville, Kentucky. From your minute by minute listing of what was broadcast it sounds like WKTG and WJDJ were creating a lot of overlapping signal. The mentions of our Chevrolet/Peugeot dealer, Henry's Earth Station, Clement's Jewelry and Parkway Plaza Mall were no doubt on our station. However, the mentions of Super-Q FM and non-stop country are not likely to have been our broadcast.

Our official call letters are "WKTG". Our on the air logo is 94-KTG. You are right, Super Q-FM must surely belong to WJDJ or someother station.

Sincerely,

A handwritten signature in black ink that reads "Bob G. Simmons". The signature is written in a cursive style with a large, stylized 'B' and 'S'.
