Dear Ernest,

This letter is to confirm your reception report of July 10, 1988. Apparently E-skip was indeed running very well and I am fascinated that you were able to provide such detail about the programming for that period of time. I do, on occasion, receive QSLs from DXers and they are factual reports but I have not received such detail as you have provided. I am enclosing a couple of items that you might enjoy as a kind of QSL card. As a broadcast engineer and an amateur radio operator I really appreciate letters like yours and consider it a privilege to help you pursue your hobby.

Sincerely,

*Don Griffey*

#### WHY CHRISTIAN RADIO?

##### To Proclaim the Truth

"For this is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth."

-2 Timothy 2:3-4

"Sanctify them by your truth: Your word is truth."

-John 17:17

##### To Confess Man's Condition

"As it is written, 'There is none righteous, no not one; there is none who understands, there is none who seeks after God. They have all gone out of the way; they have together become unprofitable; there is none who does good, no, not one.'"

-Romans 3:10-12

##### To Rejoice in God's Mercy

"But when the kindness and the love of God our Savior toward man appeared, not by works of righteousness which we have done, but according to His mercy He has saved us, through the washing of regeneration and renewing of the Holy Spirit, whom He poured out on us abundantly through Jesus Christ our Savior, that having been justified by his grace we should become heirs according to the hope of eternal life."

-Titus 3:4-7

##### To Support the Church

"And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the day approaching."

-Hebrews 10:24-25
