Dear Ernest:

I am writing to confirm your reception of WSOF on June 21, 1985. The program that you mentioned is the Harbored in Jesus broadcast which is the program of the Madisonville Baptist Temple. It airs from 6:30PM until 6:45 PM.

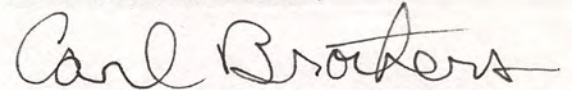

It was very kind of you to take time to write to us and let us know that you have picked up our signal. We are located in Western Ky. and are about 100 miles north of Nashville Tennessee. WSOF is a 15,000 watt station.

I am sorry to inform you that Charlie left us and moved to Lakeland Florida to work with the Calvary Baptist Church. It is a large church with near 1,000 in attendance each Sunday. He is working with their broadcast ministry there.

My name is Carl Brothers and I am the new manager of WSOF. It has been good to hear from you and I hope to hear from you again.

I am sending you a copy of our newsletter. I hope you will enjoy it.

In Christ's Service,

Carl Brothers
General Manager
