Dear Mr. Cooper:

I am happy to acknowledge your letter of May 21st and equally happy to verify your DX report of reception of WCRB programming of April 16, 1980 from 10:50 a.m. through 12:14 p.m. Would that all DX reports of reception were as accurate and detailed as yours!

I don't know whether you were in on it or not but in 1949, at the instigation of DX-er Joseph Welch, one of our engineers put on a DX show at 3:30 a.m. on 1330 kc. We even got KFAC in Los Angeles to go off the air for 30 minutes. One thing uncounted on: a superpower station in Cuba which blotted us out west of the Mississippi. We did get one card from Kansas though!

Happy DX-ing !

Dave Tucker, Vice-President, Programming
