Ernest,

Please consider this letter as confirmation of your verification request of your "dx ing" WCTK on February 1, 1995 between 11:51 AM and 12:37 PM. Your account matches our programming log.

I want to thank you for taking the time to listen to the station and for your comments on our programming. To answer your question concerning possible listener confusion between WCTK and WCAV, it is possible, but not significant. I'm sure that listeners of any format if given many listening choices in the same area confuse stations from time to time, but hopefully each station has a strong enough individual identity to stand out.

Sincerely,

Tom Devoe
