Dear Mr. Cooper,

Thank you for your letter of April 22. Mr. Haigis passed away several years ago and I have taken over management of the station. I am sorry that none of your other inquiries have been answered.

You did have WHAI on your radio on April 22nd however, it was mixed with another station. The items that I'm sure are ours are at:

- 10:18 - Greenfield Farmers Cooperative Exchange
- 11:24 - Country Jeweler commercial
- 11:29 - Station promo
- 11:58 - Plotkin Furniture Ad
- 12:00 - CBS News
- 12:47 - LaBelle Sales and Service
- 1:00 - ID and CBS

The other times, I'm not sure of. We did not have any Harley or Honda dealers on at that time.

Again, I am sorry that no one answered your previous correspondence. I hope that this is what you're looking for.

Sincerely,

A handwritten signature in cursive script, which appears to read "Ann Banash".
