

PAUL DONOVAN
Chief Engineer

June 14, 1982

Dear Ernest,

Your reception report checks out.

I am enclosing some copies of our AM and FM coverage maps. We do not use them in sales any more, so I have to copy the only prints that are left.

It was great hearing from you.

Good Luck!

Sincerely,

A handwritten signature in blue ink that reads "Paul". The signature is written in a cursive style with a large, looping initial "P".
