Dear Ernest:

Thank you for your recent letter reporting reception of WKPE at 104.7 MHz. on 10-18-83 at 11:32 EDT. This letter confirms your reception report.

Thanks for your comments concerning sister station WVLC. Very soon, I expect, some decisions concerning the programming of WVLC will be made. At present most of the effort is being directed at CAPE-104. We have, however, added some new programming on "the Voice of the Lower Cape" on Saturdays and Sundays between 10:00 and 2:00.

I guess with the many call letter changes you must have a separate file for 104.7 by this time.

Thanks again and best wishes.

Very Truly Yours,

Gordon D. Benoit,
Chief Engineer
