Dear Mr. Cooper:

Thank you for your letter of September 27th and I'm pleased to confirm your reception of WMNB. Our log on that date indicates a 4:15 spot cluster which included the Station ID (female voice) followed by a Berkshire County Savings Bank infomercial by a female; topic, "You and Your Money", followed by a Lottery spot for Mass. Millions.

I've enclosed a copy of our Coverage Map and Station folder. Please note that WBBS our FM Station in Great Barrington, Mass., is a brand new facility and will sign on the air on November 7, 1988. It will be broadcasting on 105.1 MHZ at an ERP of 3000 Watts from the top of Catamount Ski Area in the town of South Egremont, Ma. located off Rt. 23 on the Mass/NY border.

Also please find a copy of our Berkshires-Southern Vermont Guide; this is a publication of our company designed for the visitors to the Berkshires. I hope you enjoy it and if you ever travel to this end of the State, give us a call and stop by for a visit.

Thank you for taking time to write to us.

Sincerely yours,

Corydon L. Thurston
Executive Vice Pres.
