Dear Mr. Cooper:

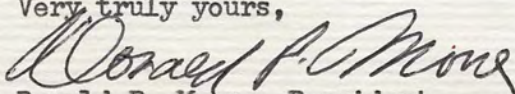

Thank you for your kind letter of July 21. I was pleased to learn you listen to WQRC.

Please consider this letter as verification that you did in fact receive WQRC FM, Hyannis, Massachusetts on July 20, 1980. Your description of the programs received was exactly as broadcast between 6:14 pm and 8:01 pm.

Your suggestions regarding a change in time for our Panorama program on Sunday evening is being taken under consideration, in fact we have been considering that ourselves. Richard Golden, the producer of the program, spends considerable time on this program and it is a shame not to have the best time slot for the program.

Again, thank you for your letter and if you have any other suggestions on our programming please forward them to me. Kindly note our new address is 737 West Main Street, Hyannis.

Very truly yours,

  
Donald P. Moore, President
