Mr. Ernest Cooper

Dear Ernest,

Please excuse the delay in responding to your letter. WSNE has just relocated their studios to East Providence, and it has been a very busy and hectic time for all.

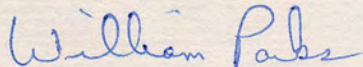

This letter is to verify that the items you heard on November 14, 1984, between 1:55 p.m. and 2:04 p.m. were in fact broadcast on WSNE (93.3 MHz).

Enclosed please find a coverage map and bumper sticker as you requested.

For your listening information, WSNE is a 24 hour station and very rarely goes dark. We probably will be performing a proof-of-performance the last Monday in December. You might be able to listen to an out-of-town station between 12:30 a.m. and 1:30 a.m.

Thanks for listening to WSNE!

Very truly yours,

William Parks
Chief Engineer
