Dear Mr. Cooper:

Thank you very much for your letter. Yes, indeed, that was our station, WGMS 103.5-FM which you heard on the morning of September 1, 1993. It's great to know that with the right weather conditions, the good folks like you in Provincetown, Massachusetts can hear us. I must also add how astonished I am that you were able to receive WGTS. Many of us in the Washington, D.C. area cannot pick up that signal.

Best wishes to you and happy listening.

Sincerely,

Mary Kading  
General Program Director
