Dear Mr. Cooper:

This will confirm that you were tuned in and received transmission from WMKR-FM 106.5, Baltimore, Maryland.

WMKR-FM, a Hot Hits format, houses its 20 KW transmitter at the base of the Television Hill, 1,000 ft. candelabra tower. The tower is shared by three (3) T.V. stations and us. Our antenna is non-directional at the 600 ft. level of the tower with an ERP of 50,000 watts.

Your interest is appreciated.

Sincerely,

Frank Russo  
Engineer
