Dear Mr. Cooper,

This letter is to confirm your reception of Walz our station which programs adult contemporary music here in Machias. I am quite suprised to find that you were able to receive us as we are a class A, 3000w erp station. I have heard of such things happening before however due to weather conditions, sunspots etc...

The ownership has changed however and is now owned by SLC Enterprises, Inc. I am the general manager and president of the station (as well as a few other hats one wears when he is the boss as you can imagine with small market radio). Thanks for your letter and good listening in the future.

Sincerely,

Stephen L. Cochran  
President & G.M.
