Mr Cooper,

Please consider your reception of WGUY confirmed. You heard a portion of Dave's Sunday Brunch Show 8/20/95. Enclosed find a station bumper sticker for your collection. WGUY is a class C2 facility licensed to Dexter Maine with 26,500 watts ERP @ 205 meters above average terrain. Center of Radiation is approx 1100 feet above sea level. Thanks for the report and the flyer.

Sincerely
