Dear Mr. Cooper:

Thank-you for your letter concerning verification of the station. I can quite happily verify most of it; with the following small clarifications I can verify all of it!

- 11:14 ad is for the Bath Sheraton, Jon Ineson was playing. Bath is just down Route One from Brunswick
- 11:22 store in West Bath is Vigue's Furniture. Evening DJ and Music Director is Dan Laramy

You might be interested to know that sometime next year (Hopefully next fall: We're crossing our fingers) we will be putting up a new tower, which should send our signal much farther.

Keep listening!

Sincerely,

Priscilla Seimer
