Mr. Ernest R. Cooper  
5 Anthony Street  
Provincetown, Mass. 02657

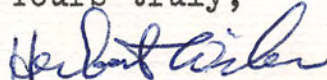

Dear Mr. Cooper:

This is to confirm your reception report dated the 23rd of October 1983 at 2:02am. The program details you have listed identify WKZS as the station monitored.

A coverage map is enclosed. As for our silent period, the only time we shut down is for the yearly maintenance measurements required by the FCC. We have an auxiliary transmitter so down-time is not required for routine maintenance.

Thank you for writing and good luck in your DXing.

Yours truly,

Herbert Wiles  
Chief Engineer WLAM/WKZS
