Dear Mr. Cooper -

Please excuse the handwritten note - it was easier. I don't know about the R.B. Hall Days. Sorry! But I can verify your reception of us. We went on-air May 6, 1995 and I don't have coverage maps yet. When I get them, I'll send you one. But anyway -

We air 24 hours a day.
Hope you get to catch us again!
