Maine's Sound of Joy

September 26, 1994

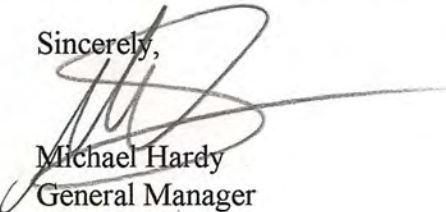

Dear Mr. Cooper,

This letter is to verify that you did indeed receive the broadcast signal of WMSJ - FM licensed to Harpswell, ME. Our studios are located in Freeport, ME (20 minutes North of Portland).

It is exciting to think that we would travel over the air so far. We broadcast only 6Kw ERP. We believe in miracles.

It was nice to hear from you, God bless you.

Sincerely,

Michael Hardy
General Manager
