Dear Mr. Cooper:

This is to confirm your reception of WTHT-FM on Sept. 26, 1992 from 1551 EDT until 1613 EDT.

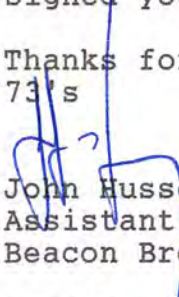

We changed to Oldies in February 1992, and dropped the Thunder logo.

As a side note, I have been the Chief Engineer here since 1982, with WGAN AM/WTHT FM (102.9) and thru the frequency switch in December 1989 to 107.5. Turner Porter has never owned this station and Roger Brace never worked here.

I answered a DX letter from you some years ago, you mentioned playing marches on the local non-commercial FM and signed yourself "The Left Handed Bandmaster".

Thanks for listening.
