Dear Mr. Cooper,

I'm sorry to hear that you did not receive the first letter I sent verifying your reception of WXBB. Yes, you have in fact been listening to B-105, our newest station. I'm sorry to tell you we don't yet have any coverage maps, but our coverage area includes Rochester, Hampton and Exeter, New Hampshire, as well as York, Maine and other southern spots.

Hope all is well on the Cape, where I lived for one very exciting summer in college.

Yours
