Dear Mr. Cooper:

This is to confirm that you were indeed listening to WIAA on Tuesday, July 19, 1983. Your documentation of our broadcasts during our annual fundraiser, Campaign for Excellence '83, was thorough and indisputable, and I'm pleased to be able to tell you that we raised a total of \$101,655 by Saturday, July 23rd!

I have enclosed a coverage map and a guide of public radio stations around the country. I am quite certain that you were listening to us and WCMU-FM in Mt. Pleasant, Michigan. Their frequency is 89.5FM.

I was interested to hear of your band program on WOMR-FM. We play a small amount of band and marching music interspersed throughout our live classical schedule. Every July 4th we play an hour of marches--uninterrupted--and arrange to have WIAA marching bands at several small-town parades throughout our listening area. The "bands" are comprised of radio-toting marchers tuned to our frequency! It is a big hit in any parade.

Thank you for monitoring us. It's nice to know we're getting out there, even if it is a fluke!

Sincerely,

*Thom Paulson*
