5 Anthony Street
Provincetown, MA 02567

Dear Mr. Cooper:

I am pleased to verify that you did receive KSJN-FM on 20 July 1982 from 5:08 p.m. to 5:59 p.m. (local). We broadcast at 100,000 watts at 91.1 MHz.

Minnesota Public Radio is a statewide network with affiliates in Moorhead, Rochester, Worthington, Duluth, Collegeville, and Houghton, Michigan.

Our AM affiliate, KSJN-AM at 1330 kHz broadcasts with 5000 watts of power in the Twin Cities area. The AM and FM services simulcast between 11:30 a.m. and 1:00 p.m. Monday through Saturday and take occasional live events together.

I am enclosing a copy of our August program schedule; that will give you full details on the two services.

We are pleased that KSJN-FM can be heard by diligent DXers... now, if we could only persuade you to become members...

Thanks for your letter.

Yours sincerely,

Nicholas Nash
Vice President/Programming
