Mr. Ernest R. Cooper
National Radio Club
5 Anthony Street
Provincetown, Massachusetts 02657

Dear Mr. Cooper,

Thank you for your letter of May 27, 1983, indicating reception of KLJC in Kansas City, Missouri. Yes, I think there is enough to your report to confirm reception of our station.

We are owned and operated by the Calvary Bible College and have been on the air for 12 years now. We are running with 10,000 watts ERP, using a four bay antenna that is only 109 feet above ground. Give us another year and we hope to have something considerably better.

Good DXing.

Sincerely,

Darrell Nickolaus
