Dear Ernest:

Sorry it took so long in getting back to you. Imagine hearing WGRM-FM way up in Massachusetts! I could not believe it when we received your letter. You were hearing WGRM. Curtis Wholesale frequently has things for 99¢, and it is located on Highway 7 in Greenwood.

WGRM-AM has been a part of the Greenwood community for 53 years, and Clay has been a part of the radio station on and off since he was a child. He is currently owner and GM at WGRM. The FM was two years old in July.

It is always a pleasure to hear from someone about our station. Enclosed is the information you wanted. If you should happen to hear us again, drop us a line and let us hear from you. Thanks for the letter!!

Sincerely,

Bert
