Good Morning Ernest,

Thank you for your marvelous reception report on WDZD. It was indeed a pleasure to read your letter and hear all about your equipment, and find your reception of WDZD so validated.

I am enclosing a package on WDZD to let you know more about our operation.

Again, thank you for your letter and reception report.

Respectfully,

A handwritten signature in blue ink that reads "Gary Branson". The signature is written in a cursive style with a long horizontal flourish extending to the right.
