Good Afternoon, Ernest!

Yes, that was us: everything you describe in your letter did, indeed, occur on KLNE-FM on June 1, 1998.

You hit the nail on the head. Good going!

I don't know how you do it, but keep it up!!

If you ever hear any of the stations listed on this letterhead, please feel free to write me again, and I'll confirm the sighting (er, hearing).

Sincerely,

Steve Robinson  
Network Manager
