Dear Mr. Cooper.

Thank you very, very much for your wonderful letter and DX report.

I've enclosed a few items.

Yes, that was us. And, I wish I could get WPLM to go off the air more often. As a matter of fact, they jam us off-and-on in Southern New Hampshire and it's very annoying.

Living in West Newton, myself, I'll have to try the overnight monitoring to see if I can pull in WNNH at home. Right now, I must rely on an AT & T tie line at \$8. per hour.

I also grew up in NYC and it's great to be enjoying New England. I'm having a numebr of dealings with bankers these days and you can imagine the enviornment. But, it was a thrill to be able to get the necessary funds to start up WNNH and the response from these parts is great.

Your work at WMOR sounds very enjoyable. A friend of mine who writes for the Boston Globe lives in Truro and is a big fan of that station.

Again, thanks for taking the time to listen and write. If you're ever in our area, please visit.

With best regards,
