Dear Mr Cooper,

I received your letter and wanted to let you know that you did indeed hear our FM station. Our Sales Department recently moved to a new location in Portsmouth, New Hampshire, so I don't have a map of our coverage area to send you, but it is considered to be the "seacoast" area of southern Maine and New Hampshire, which would include Portsmouth, Dover and Rochester, New Hampshire, as well as York and Kittery, Maine.

Please

Please excuse the typos!° I'm the news director here, and used to typing news stories in all caps.

Thanks for listening.

Yours also in radio,

Liz Richards
