

October 13, 1983

Mr. Ernest Cooper
National Radio Club
5 Anthony Street
Provincetown, Mass. 02657

Dear Ernest:

Thank you for your reception report of WAYV, which was accurate. Yours is our first report from Massachusetts, though a guy in Maine did once receive us. We also get numerous reports from Long Island. The atmospherics must have been real strange recently, because we've had quite a few unusual reports.

We have no non-commercial stations in the area (other than those we pick up from Philadelphia) at the moment, though Stockton State College in Pomona (about 10 miles inland) is expected to sign one on in December. They perhaps will provide some classical music to the area.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Ferriola".

Mike Ferriola
Chief Engineer
