Dear Mr Cooper:

Thank you for your reception report of WLQE. You are correct in your finding about the change of call letters. We changed the call to WLQE in March, 1983 a few weeks after the sale of the station.

I had some trouble verifying your reception reports. June 9 is a Saturday and the items on our log do coincide. The items you listed for Tuesday, June 11 were actually broadcast on June 12. I am going to assume that you just listed the incorrect day/date; otherwise everything is OK.

I still have a record of your earlier report for July 19, 1981. You did not mention the McIntosh tuner in that report so I gather that you obtained it subsequent to that date.

Happy DX'ing!
