Dear Ernest:

Thank you for your Reception Report on WXNJ-FM. I am pleased to confirm your report and the information that you logged.

I am thrilled to know that you are monitoring FM Stations, which is quite unusual; it has always been the bounding skywaves from AM Stations that got the attention from those interested in radio signals.

Enclosed you will find some technical information about WXNJ, which I hope you will find interesting.

Thank you for your interest in our station, and keep up the good work. Your dedication to radio is truly an inspiration to all Broadcasters.

Sincerely,
