Dear Mr. Cooper:

WBAZ officially began broadcasting on Wednesday, July 3 at 6:58pm. We are running on 3000 watts, twenty-four hours each day. What a surprise to hear that you received WBAZ-FM in Provincetown. Thank you for your letter - it is always helpful to know just how far the signal travels. Your log is not only correct, but quite accurate. Thank you once again for your letter. I hope that in the future you will again receive our signal. Keep listening for us.

Thank you also for your wishes of success to our new station. We appreciate your interest.

Sincerely,

Maureen Roslak
