Dear Mr. Cooper:

Regarding your inquiry of Sept. 27th, I think you did hear our radio station, as our station nickname is "Beach 104.7."

We also, have had strange occurrences in the fog. We have received Oldies 104.7 from Orleans (WJPE) and also, 104.7 from Ocean City, Maryland.

On the water, in a fog, leads to very interesting situations.

Thanks for your letter and good luck in your broadcast ventures.

Sincerely,

Zoe Kamitses
Vice President/General Manager
