Mr. Cooper,

It has been brought to my attention that my engineering staff never replied to your request for confirmation of your reception of WCWP on 11/27/84 between 9:55 PM & 10:30 PM.

I've checked our log for November 27, 1984 and your report most certainly corresponds.

As a former SWL'er myself, I appreciate the importance of written confirmations. Please accept my sincerest apology for our delay in responding to your request.

Please accept the enclosed WCWP key tag as a gesture of my gratitude for your patience. I've also enclosed some other printed materials about WCWP that I hope you will find interesting.

Sincerely,

Bill

William J. Mozer,
Director
