Mr. Ernest R. Cooper

Provincetown, MA 02657

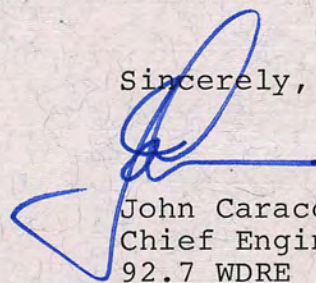

Dear Ernest:

Please consider this letter a verification of your letter dated June 16, 1988. It's really great to hear that WDRE was booming into Provincetown.

WDRE is licensed to Garden City, New York. We have an effective radiated power of 1000 watts at 521 feet HAAT. Also, something that might be of interest to you is that we are one of the few directional FM stations around. We provide protection to our co-channel station in Middletown, New York, WKGL (Ninety-Two-Rock-Seven).

Enclosed please find a coverage map and some WDRE paraphernalia. Thanks for the letter and I look forward to hearing from you again.

Sincerely,

John Caracciolo
Chief Engineer
92.7 WDRE
