Dear Ernest:

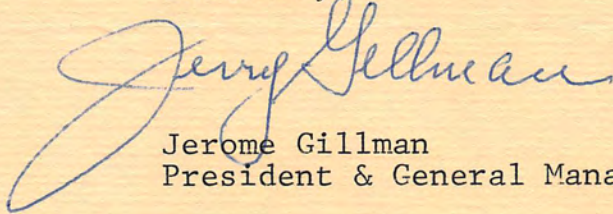

This is to confirm your picking up WDST on distant signal. We know the McIntosh. You may be interested to know that we've sent such confirmation to Atlanta and to some place in Kansas. Both, however, used specialized receiving antenna equipment.

You may be interested to know that The Bulldog is just four years old, has won three Billboard Station-of-the-Year Awards -- the only station ever to have done so. We also have a flock of New York State Broadcasters Association awards and, as you likely know, the competition is formidable.

What you heard off-air was a substitute for our regular overnighiter. Should you have the time, you might be interested in our weekend classical or weekday 7 pm jazz show. We also play country, and have talk shows and comedy. The mix is what's won us so many awards.

Glad to hear from you ... the T-shirt's a gift to a broadcasting colleague.

Cordially,

Jerome Gillman
President & General Manager
