Dear Mr. Cooper,

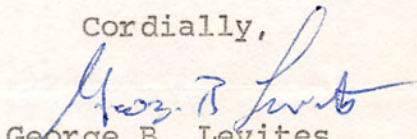

Thank you for your detailed reception report and kind letter. I hope this letter will serve to verify the accuracy of your observations.

Our FM transmitters are AEL type 10KCG and with our antenna at 1220 ft. our ERP is 50kW. We also transmit two SCA programs on deviations of 67 and 41 kHz.

Mr. Niles has retired from our staff, however, as we see him now and again, I know he will be pleased to know his classical music listeners still remember him.

Enclosed is an FM coverage map. Good listening!

Cordially,

  
George B. Levites

Technical Supervisor
