Dear Mr. Cooper:

This will confirm your reception of WHRL on February 14 and 17 and July 20, 1988. We are very pleased that you heard us so far and reported it for confirmation.

A little information on WHRL: The station was established as Albany's first FM station (and full time stereo) on Sept. 1, 1965. We broadcast 3kw both horiz. and vert. from a tower 99 mtrs. HAAT. WHRL uses a brand new Broadcast Electronics transmitter and has SCA's on both 67 and 92 kHz. We are a full time affiliate of the Mutual Broadcasting System and our format is "New Age" music - one of the few stations in the country with this type of music.

The station's call letters are formed as a combination of mine and Mr. Hill's initials.

Enclosed is a coverage map for your information.

Sincerely yours,

Robert L. Levy P.E.
Chief Engineer WHRL (FM)
