Dear Ernest:

Thank you for your letter -- we're very pleased you are able to hear us way out in Provincetown.

WITU first went on the air September 1st, at 103.5 on the FM dial. Enclosed is our coverage map.

WSCM, our AM sister station, is 1,000 watts, and serves primarily Schoharie and surrounding counties. Both stations broadcast from our offices here in Cobleskill, New York.

Thanks again for your interesting letter.

Sincerely,

Bob Penrod
