Dear Sir:

Congratulations! You are the furthest listener we have had so far to my knowledge. Sorry to take so long to reply, but things here are always very hectic. The previous record was somewhere about 3/4 of the way up the Connecticut coast.

Once again, thanks for listening and thanks for writing.

Sincerely yours,

Mark Silverman
Chief Engineer

Ps: Our power is 3800 Watts (erp that is). We broadcast from 53rd street and Madison avenue in Manhattan.
