Mr. Ernest Cooper,

WPBX 91.3 FM broadcasts at 1,000 watts and tower height of 190 feet. We are affiliated with the American Public Radio Network and our music format consists of jazz, classical and progressive music in the evenings.

For more information about the station, I have enclosed our program guide, "The Sound Alternative".

We at WPBX appreciate your letter and accurate broadcast report.

Thanks for listening.

Sincerely,

*Alexandra McCarty*
